On 3 June 1870 Rosina Messerschmidt (age 30, born about 1840) arrived in Baltimore from Bremen on the steam ship Leipzig. Rosina is originally from Württemberg. [2]

Since Rosina and Wilhelm were married (probably in Minnesota) less than two months later, it is very likely that they knew each other in Württemberg. [CAR 2011]

Based on the US & Minnesota state censuses & the passenger list with her arrival, Rosina's year of birth ranges from 1839 to 1844. Most records support a birth of 1840. [CAR 2011]
