Garland, Texas. Another name for William was Scott.

General Notes: In 1953, Scott worked at Stanley Home Products in Dallas, TX. [company photo]

In 1956, Scott worked in the Inspection Department of the Engine Division of Southwest Airmotive. [company photo]

Scott was a police officer in Dallas before his bad car wreck in 1963 or 1964. [1967 or 1968, per Becky Sanders] He was driving an Electra 225, a car with early cruise control. He set the cruise control and fell asleep at the wheel. The car hit the pillar at the side of the road head on, and the engine was pushed into the front seat. Scott broke both his legs, his right arm, and every rib. A friend of his either in the police or state trooper office was the first on the scene. Scott was in a complete body cast after getting out of the hospital. He was on lots of pain medication, and started drinking after that time. All the medication and alcohol made him abusive, and Barbara divorced him after that. [BKK - 5/2003]

Scott married two more times to Frankie Williams (Williams was a name from a previous husband) about 1972 or 1973, and Sylvia about 1980. [Becky Sanders, 2004]
