General Notes: Babette Merz was born Anna Barbara Merz in Gruibingen in the Kingdom of Württemberg on 5 December 1833. Babette is a nickname for Barbara, her calling name, or the name she went by. Babette was born out of wedlock. Although she carried her mother's name, her father Johann Georg Lutz was listed on her baptismal record. Johann was born 26 Nov 1811 in Zell near Aichelberg, and he did not admit he was her father at the time. He may have admitted it later, as Babette was in later times called Lutzin.

Babette was a florist. By 1868 she was a teacher of knitting.

Babette had four children out of wedlock - Catharina Barbara Habann with Karl Habann, Mathilda Dorothea Merz with Johannes Markus Spangler, Julius Merz and Karl Julius Merz. The father of the last two is unknown. Mathilda and Julius died young. Babette then married Johannes Straub in 1869. She was pregnant with their first born when they married. She had three children with him, only the oldest, Anna, survived childhood.

In 1883, Babette immigrated to America with her husband Johannes Straub, and children Babette Habann, Karl (Charles) Merz, and Anna Straub.

Babette's two half-sisters, who survived childhood, also immigrated to Bridgeport. Elisabetha Börschl (Elizabeth Boerschel) immigrated in September 1892, and lived with her niece Babette Habann Speiser until her death in 1921. Her birth name was Catharina Barbara Habann [2]. Her calling name, or the name she went by was Barbara. Babette is a nickname for Barbara. Babette also went by the name Babette Katrina Merz, as recorded in the Speiser family bible when she married Henry Speiser.

Babette made Christmas cookies every year. Many of the recipes were from Germany, and may have been from her own mother. Her wooden molds for Springerle were passed to Lydia, then to Lydia's son Cal, then to Cal's daughter Cathy. Babette even made it into the Bridgeport newspaper when they took a picture of her making Springerle for an article on holiday traditions from the "old county". Babette made other recipes such as herring salad and potato salad that continue to travel through the generations.

Heinrich David Speiser, living in the district of Kirchheim, applied at Wuerttemberg, Germany, in July 1869 to emigrate to North America. He was born 20 May 1850 in Jesingen. According to information about the Wuerttemberg Emigration Index, some immigrants left without permission, and sent word back to the Wuerttemberg state and town officials renouncing their citizenship. In the case of Heinrich, the application to emigrate in 1869 is probably accurate.

When Henry returned to Germany from America at age 21, he married Sophie after his future father-in-law promised to give him his brewery. Henry took his wife and 3 children, Henry, Hugo, and Herman, to America when his father-in-law did not keep his promise. [7]

A search of the 1880 Census, dated 7 June 1880, turned up a Henry Spicer, age 30 (born in 1850), born in Wurttemberg, living in Bridgeport, Connecticut, with the John Stiufler family, also from Wurttemberg. His marital status is married, but no wife is

present in the household. Henry is working in a brewery. Three other young men from Germany are also living with the Stiufler's, two working in a brewery. Sophie and their children arrived one month later on July 30 in New York.

After coming to America, Henry, Sophie, and family lived downstairs in a house also occupied by Babette Merz [should be Habann], her mother and step-father, and her sister. Young Herman used to visit Babette Straub [Babette Habann's mother] when she was alone and sick. [7]

In 1887, Henry's first wife Sophie died and he married Babette Habann.

In 1890 Henry Speiser is living in Bridgeport at 171 Jane Street. He is a bottler. In 1891 Henry is also operating a saloon at 394 East Main. Henry must have bought the saloon from his wife's brother-in-law Christopher Becker, as Christopher had a saloon at this address in 1890. [1]

In 1895 Henry Speiser is operating a saloon at 433 E Main in Bridgeport. His home is at 171 Jane Street. [4]

With Henry were his wife Mrs Henry Speiser, children Emma, Helene, Elsbeth, Irma, Lydia, Reinhold and Ehrich, and his wife's aunt Mrs Elizabeth Boerschel. On the souvenir passenger list Mrs Wilhelm Berlage's name was checked (she was accompanying her husband). They may have been friends or relatives. [9] They returned from this trip to New York City on the ship SS Potsdam (sailing from Rotterdam) on 28 July 1903. [10]

Henry applied to become a citizen of the United States October 23, 1884. He became a citizen on May 8, 1907. (Henry's naturalization certificate)

4-Lucie Helene Speiser was born on 1 Jul 1889 in Bridgeport, Fairfield County, Connecticut,⁴ died on 28 Sep 1985 in Fairfield, Connecticut¹⁰ at age 96, and was buried on 2 Oct 1985 in Ashes Buried In Park Cemetery, Bridgeport, Connecticut.¹¹ The cause of her death was old age. Other names for Lucie were Helene and Lucy Helena Speiser (1943 Copy Of Birth Crtf).

Descendants of Johanna Merz

General Notes: In notes made by Calvin Reuther from the Speiser family bible, Helene was operated on for her appendix on the dining room table on July 11, 1892.

In the 1920 Census, Helene is living in Bridgeport with her parents. She is 30 years old, and appears to be working out of the house. Her exact occupation was not clear.

After an eye operation, date unknown, Helene had a "slight shock" [stroke]. She fully recovered. [1]

In 1963, Helene was living in Montvale, New Jersey. [5]

In the summer of 1969, Helene and Otto were planning a trip to Germany to find a place to live. The trip originally planned for mid July was postponed as Otto was sick. On October 17, Helene's sister Lydia wrote that Helene would be arriving that week from Germany to breakup the house in Montvale. Otto remained in Germany as he was sick. Lydia must have written the letter before she heard about Otto's death the day before. By December Helene has returned from Germany and is living with her sister Lydia in Bridgeport, Connecticut. From Lydia's letters it appears as though Helene's and Otto's marriage had been on the rocks before he died, as Otto's brother received \$16,000 when he died and a life insurance policy that should have gone to Helene may have been changed to pay the benefits to Otto's brother. Helene appears to have been left destitute by Otto's death. [2]

At the end of the year Helene is living with her sisters Els and Irma. She wants to return to Lydia's. [2] Helene does appear to be living with Lydia in 1974. [3]

By April 1977 Helene is in a nursing home. Lydia writes that her mind is not clear and she does not walk well. The doctor tells Lydia that Helene can't come home as she needs more care than Lydia can give her. At \$46.75 a day, Helene only has enough money to last for four years. [4]

Helene lived out the last years of her life at the North Fairfield Geriatric Center in Fairfield, Connecticut. Most of her assets must have been spent on her care at the nursing home prior to her death. The remaining assets were used to pay her funeral and cremation expenses, and assistance to pay the remaining expenses was requested from the State of Connecticut.

Marriage Notes: Helene was 39 years old when she married Otto. Otto was 31 or 32. They did not have any children.

General Notes: A folder with paperwork related to Helene's estate included a document in German for Otto. The document cover said "Konigreich Wurttemberg" - Kingdom of Wuerttemberg. I could make out a birth date of 16 October 1896. The place of birth was not readable as it was handwritten in old German script. The document was officially stamped or notarized 7 November 1919.

Otto immigrated, leaving from Hamburg on the ship Hamburg, arriving in New York on 4 October 1926. [3]

In the 1930 Census, Otto Wieland is living on East 87 Street in New York City. He is 33 years old and was born in Germany, as were his parents. Otto is a technician in a chemical laboratory. He immigrated in 1926. Living with him is his wife Helene (Helen on the census). She is 32 years old, and is a hair dresser at a beauty school. Helene was born in Connecticut and her parents were born in Germany.

On 15 July 1930 Otto Paul Wieland applied for US citizenship. He was a chemical technician living in Astoria, Long Island, New York. [3]

In 1942 Otto Paul Wieland is living in Queens County, New York. [Wife] Helen Wieland is shown as living in Elmhurst, Long Island, New York. Otto was born 16 October 1896 in Germany. He works for the Rockefeller Institute in NYC. [1]

Otto was a chemist for Lederle Laboratories in New York, one of the first commercial makers of penicillin. When he retired, he moved back to Germany. His wife Helene remained in the U. S. [Virginia Speiser Rutter] == Actually, Otto died in Germany when they were in the process of moving. Helene returned to the US. [CAR]

Sister-in-law Lydia Speiser Reuther recorded two dates for Otto's death - 5 October 1969 and 5 November 1969 - in her diary. Since her diary was written with multiple years, but the same day on each page, the November date is probably correct. [CAR]

They had no children.

Marriage Notes: Stuart and Margaret did not have any children.

Descendants of Johanna Merz

Noted events in their marriage were:

- Alt. Marriage: 1938.⁵¹

General Notes: While growing up, Margaret spent many summers on Lake Long in Michigan, where she became a strong swimmer. [3]

At the University of Michigan, she studied history and music, and was a classical pianist with her own studio on campus. [3]

After Stuart's death in 1985, Margaret founded the Stuart and Margaret L Forbes Scholarship Program at the Polk County [NC] Community Foundation. In 1995 she purchased the Duke Power building in Tryon, NC, and donated it to the local school system as the Forbes Preschool Center. In 1998 she formed the Stuart and Margaret L Forbes Foundation to distribute scholarships to local students. She also endowed a scholarship fund at the NC Center for the Advancement of Teaching. [3]

[In 2003,] noted Polk County preschool education advocate Margaret Forbes received a distinguished governor's award. . . Forbes was presented with the Order of the Longleaf Pine in recognition of her "proven record of service to the state of North Carolina." The Order of the Longleaf Pine is one of the highest awards the state can bestow, and it can be given only by the governor or his representative.

The award was presented by Roger Metcalf on behalf of Governor Michael Easley. Metcalf is the director of the Western Regional Education Service Alliance in Waynesville.

Previous recipients of this award include Billy Graham and Maya Angelou. Polk County Board of Education Chairman Geoffrey Tennant said it was very fitting to recognize someone who had given so much to her community. "If it had not been for the vision and foresight of Mrs. Forbes, we wouldn't have the four-year-olds program in Polk County that we do today," Tennant said.

Bill Miller, a Forbes Foundation board member, addressed the gathering after the meal and emphasized the "truly significant contribution Forbes has made and continues to make to her community through the pre-kindergarten program. . . ."

The night's events were organized and hosted by the Stuart and Margaret L. Forbes Foundation, which Forbes formed in 1998.

Although Forbes is one of five members of the foundation's board, she didn't know Tuesday's reception was in her honor.

"The fabulous thing about this is I really didn't know anything about it," Forbes said. "It was a well-kept secret."

Friends and colleagues said Forbes is so self-deprecating that seeing her given this award and recognition is gratifying.

They also voice the hope this recognition may lead to a more widespread recognition of what Forbes and the foundation have been able to accomplish in Polk County through the pre-kindergarten program. [1]

Since 1998 the Stuart and Margaret L. Forbes Foundation has been awarding thousands of dollars in scholarships to local high school students as well as granting money for other community projects.

Descendants of Johanna Merz

The people at the foundation, which was named in part to honor the late Stuart Forbes, have been working steadily to carry out the vision of Margaret Forbes, according to William Miller, chief counsel to the foundation and a member of its board of directors.

A major aspect of that vision is to improve the education of students in the Polk County and Landrum areas.

Miller said the foundation is currently funding scholarships for 11 local students in amounts varying from \$1,000 to \$2,500 per academic year. [2]

Brother Eric William Speiser passed away in his sleep June 27, 1957 at age 63 years. He was buried from our church by Pastor Ludwig on Sat June 29th who also held the committal service at the church for he wasn't allowed in St Michael's Cemetary [a Catholic cemetery]. County, Connecticut,⁴ was christened on 6 Nov 1897 in Bridgeport, Fairfield County, Connecticut,⁸⁹ died on 12 Sep 1996 in Huntsville, Madison Co, Alabama at age 98, and was buried in Lawncroft Burial Park, Fairfield, Connecticut.

General Notes: Lydia was baptized November 6, 1897. Her godparents were Elizabeth Boerschel, Anna Becker, and Chris Becker.

In the 1920 Census, Lydia is living at 425 Jane Street in Bridgeport with her parents. She is 22 years old and a bookkeeper in a textile shop.

When her father died in 1921 Lydia had severe pains in her legs such that she could not stand and was in bed for three weeks. She suffered similar pains in her arm from the shoulder to her hand in 1983 when her nephew Henry Broch died. [1]

Lydia did not care for her middle name, and often used Ruth in place of Johanna. Her marriage license to Russell lists her name as Lydia Ruth Speiser.

Lydia had a third pregnancy that ended in miscarriage about 1940 when Joyce was a freshman in high school. [Joyce Reuther Holley]

Lydia continued the family cooking traditions she learned from her mother - potato salad, herring salad, and Christmas cookies. When Lydia stopped making Springerle, Brownie Lebkuchen & Schwaben Brodli, her son Cal took up making the cookies. He and Joyce had already been making potato and herring salad for many years.

In 1985, Lydia fell in the kitchen and broke her pelvis. She came South, first to daughter Connie's [Joyce] house in Decatur, GA, then to son Cal's in Huntsville, AL, to recover. By then Lydia was almost 90 years old. Connie and Cal decided she needed to be closer to them, so in the spring of 1986, they closed up and sold the house at 219 Toilsome Hill Road in Fairfield that Russ built for them after they married. Lydia moved into a retirement community in Huntsville, Alabama, near Cal.

In 1996, Lydia suffered a stroke, and died a few weeks later, just 6 weeks short of her 99th birthday.

They had two children: **Joyce Babette "Connie"** and **Calvin Russell**.

Descendants of Johanna Merz

Marriage Notes: Russell & Lydia were married at the home of Russell's parents in Philadelphia, Pennsylvania, by Reverend Swank. The marriage license shows Lydia as "Lydia R. Speiser". Lydia did not care for her middle name Johanna at this time, and used Ruth as her middle name.

Guests were Babette Speiser (mother of the bride), Reverend Stengler, Lula R. Diller, Edna R. Zimmer (sister of the groom), Elsbeth Speiser (sister of the bride and maid of honor), Mr & Mrs Albert Phillips (Russell's boss at American Fabrics and best man), Helene Speiser (sister of the bride), Florence Reuther (sister of the groom), Mary Evans, Henry and Anna Barlow Reuther (parents of the groom). [As signed by the guests in the wedding book.]

Russell & Lydia honeymooned in Havana, Cuba, and Daytona Beach, Florida.

When first married Russell and Lydia had a room in Colonnese's (spelling?) house on North Avenue. Mr. C. had a meat and vegetable market where Lydia traded. He also delivered to their home on Toilsome Hill Road as there was no market there when they first built the house. [1]

Russell and Lydia always had the family (Speiser) parties at their house because they had the largest house. [Virginia Speiser Rutter]

[1] Letter from Lydia S Reuther to son Calvin Reuther Aug 14 1983

General Notes: Russell left school and Philadelphia at age 16 in 1909 to work for Mr. Phillips at the fabric company [in Bridgeport, Connecticut]. [Aunt Lotta]

In 1910, Russell Reuther is living in Bridgeport at the home of his boss H. Albert Philips. He was born about 1894 in Pennsylvania. [7]

Russ first lived with the Phillips, then took a room on Coleman Street near Park Avenue. [6]

On June 5 1917, Russell Evans Reuther registered for the World War I draft in Bridgeport, Connecticut. He was living at 346 Beechwood Ave in Bridgeport, and was an assistant manager for Alb. & E. Henkels Inc.

Russell E. Reuther was inducted in the United States Army May 23, 1918 at Bridgeport, Connecticut. He achieved the rank of corporal October 7, 1918. He served in the 15th Company, 152nd Depot Brigade. He was honorably discharged May 28, 1919 at Camp Upton, New York. The discharge papers list his height as 5 feet, 2 inches. [Russell E. Reuther honorable discharge & enlistment record, US Army, 1919] Russell served his enlistment in the United States & did not go to Europe during World War I.

In the 1920 Census, Russell is living in Bridgeport, Fairfield Co., Connecticut, on Beechwood Avenue in the house of Christopher and Ida Melick. Russell is 29 years old and an assistant manager at a lace factory. Christopher is 52 years old, and a telegraph operator for the railroad. Ida is 51. Both were born in New Jersey. Russell became very close to Christopher and Ida as he boarded with them when he first came to Bridgeport at age 16, and I recall a story that Russ loaned them money to start a business (CAR). After Christopher died, Russ helped Ida manage her affairs. When Ida Bigley Melick died in 1947 (or 1946), she left Russ

Descendants of Johanna Merz

her house at 346-8 Beechwood Avenue. The flintlock rifle owned by Calvin Reuther was given to Russ. It was in the Melick family and is believed to be from the Revolutionary War. (Calvin Reuther). Currently, the gun is owned by Russell's grandson Russell Reuther (CAR 2004).

In March 1930, Russell received word that his mother was very ill in Florida, probably visiting her daughter Lotta in Daytona Beach. Russ rushed to Florida to see his mother, but she passed away before he got there. She was buried in Philadelphia, and Russ returned to Fairfield the day before his son Calvin was born. [5]

In the 1930 Census, Russell is living in Fairfield, Fairfield Co., Connecticut, on Toilsome Hill Road. He is 36 years old and was born in Pennsylvania. He is an assistant manager at a fabric factory. Living with him are his wife Lydia, 32, and their children Joyce B, 3, and Calvin R, 1 month. Lydia was born in Connecticut, and lists her parents' birthplaces as Wurttemberg, Germany.

In 1944, Russell E Reuther and his wife Lydia R are living at 219 Toilsome Hill Road in Fairfield. Russell is assistant secretary for the American Fabrics Company at 1069 Connecticut Ave. [2]

On Monday, September 17, 1951, Russ was fired from his job as manager of American Fabrics by the new owners who had purchased the company in May 1948. In a meeting with the owners, they had already prepared a resignation letter for Russ to sign. He was immediately escorted out without even having the opportunity to say his good byes nor to clean out his office after 42 years with the company. He was given 5 months pay in lieu of notice. Both Russ and Lydia talked about the gangster Jews that owned the company and fired him. [3, 4] Russ was 58 years old when he lost his job.

In 1955, Russ was elected to one of the seats in District Six for the Representative Town Meeting. [1]

Russ was deathly afraid of dogs. When walking in the neighborhood, if he saw a dog, he was so shaken, he would go back home. [Virginia Speiser Rutter]

Son Calvin remembers Russ talking about a Barlow cousin who was a Rockette at Radio City Music Hall in New York City. He met her on one of his trips to the city. Cal thought she may have still been there when he was little and the family went to Radio City.

5-Calvin Russell Reuther was born on 16 Mar 1930 in Bridgeport, Fairfield County, Connecticut,⁴ died on 14 Jan 2000 in Huntsville, Madison County, Alabama at age 69, and was buried on 18 Jan 2000 in Maple Hill Cemetery, Huntsville, Alabama. The cause of his death was Multiple organ failure following heart by-pass surgery several weeks prior to death. Another name for Calvin was Cal Reuther.

General Notes: Born one month premature at 7:05 PM, weighed 4 pounds, 13 3/4 ounces, at Bridgeport Hospital [5].

Calvin was a favorite name or a favorite cousin (?) of his grandmother Anna (Barlow) Reuther. [4]

In September 1951, Cal's father Russ wrote Cal to tell him that after 42 years with the company, he had been fired from his job by the new owners. Russ told Cal that that meant there was no income coming in. While Russ had planned ahead for Cal's education (Cal was in college at Alabama Polytechnic Institute), so money was set aside for him to complete his education, but he should still watch his pennies. [1]

During college (Auburn, AL), Cal owned and flew his own airplane, an Ercoupe.

In 1951 or 1952, Cal flew to Connecticut from Auburn through bad weather with no radio and was the only plane flying over NY. Coming back to Auburn, he developed trouble in Maryland. He was able to land but could not afford to fix the plane, and left it at the airport. [6]

In June 1952, Cal had airplane trouble. As written by his father - "Imagine you in your little plane, 4000' high, sailing along, as you told me, perfectly - then all of a sudden the moto knocked, the plane quivered and vibrated - and then no engine. You, with only a few hours experience in the air, had this happen. . . To glide that plane, 20 miles away from the airport, to a perfect

Descendants of Johanna Merz

landing at the field, is a feat you can forever be proud of." Cal landed the airplane in Easton, Maryland. He left it there with someone to look after and sell for him. [2]

During college at API Cal worked for Mr. Fortner at Jake's Joint and the Elk's Club. He met Jane at Jake's Joint. Mrs. Fortner gave Cal her recipe for Barbecue Sauce and Barbecue Basting Sauce that he used throughout his life to make fantastic barbecue chicken on the grill.

Cal graduated from Alabama Polytechnic Institute (API - later re-named Auburn University) in Auburn, Alabama, in 1953, with a Bachelors of Science degree in Electrical Engineering. His first job was across the country for Boeing in Seattle, Washington, working on the B-52 airplane. He left Boeing in 1956 for Westinghouse in Pittsburgh, PA, but was on his way back to Boeing and Seattle in 1958 when Jane was pregnant with Cathy. Just weeks after Cathy was born in September, they headed for a new assignment in Fort Walton Beach, FL, and the BOMARC missile program at Eglin AFB.

In 1963, Cal, Jane, Cathy and Russell moved to California where Cal worked on the Minuteman weapon system.

In 1964, Russell wote his son Cal that he had asked the Republican Town Committee to send him an application for an absentee ballot. [3] - Was Cal still registered to vote in Connecticut? [CAR]

In April 1965, Cal, Jane and the children moved to Huntsville, Alabama, where Cal continued his work for Boeing, this time on the space program. He was responsible for the Boeing Saturn V Logistics Support Staff, developing a Logistics Support Plan. He was also responsible for Saturn V Logistics activities and program schedule. In 1967 he assumed responsibility for directing the preparation of the Saturn V Flight Manual, a single source reference prepared specifically for the astronauts' use.

When Boeing reduced their operations in Huntsville in 1974 (the summer President Richard Nixon resigned and the fall Cathy got her driver's license), Cal and Jane decided to stay in Huntsville rather than be transferred to another city, and Cal went to work for Sperry Corporation on tactical missile systems at MICOM. In 1980 he began a brief stint at Guest Associates providing marketing and technical representation for technically oriented customers, as well as consultation to small business through the Small Business Administration.

In 1982, Cal went back to work for Boeing on marketing management assignments for the Air Force, MSFC, MICOM, and SSDC customers. He took an early retirement in the fall of 1993 after Jane's brain aneurysms and surgery that year.

Early in their marriage, when they were young and poor, Cal decided to start making furniture instead of buying it. He bought the appropriate tools and set up shop in the spare bedroom in their apartment. The first thing he made

Descendants of Johanna Merz

was a long low bench in the Danish Modern style. He made their bedroom furniture and later on a hi-fi cabinet, kitchen table, and a new dresser for Jane in the 1970's.

In 1983, when his mother Lydia was no longer making the family Christmas cookies, Cal took up the task, often with daughter Cathy's help. He made their favorites Springerle, Brownie Lebkuchen & Schwaben Brodli, and new ones as well. Just as Lydia did, he kept track of what he made and how many. In 2002, Cathy took up the tradition on her own. Cal also had a vegetable garden for many years, and took up canning at that time. Not only did he can vegetables, but he also made jellies and pickles.

In 1988 & 1989, Cal and Jane built a new, larger house on Mountain Springs Circle in Huntsville and moved in in April 1989. The house included a 3-car garage with large shop attached, and Jane's large weaving room over the garage and shop. After Cal's death, the house was sold to Hank and Kathy Perkins, friends from church, and a school friend (Hank) of daughter Cathy.

Cal entered Huntsville Hospital November 25, 1999 (Thanksgiving Day) for heart bypass surgery on November 26. The surgery was successful, but numerous complications ensued due to Cal's emphysema and the steroids he had been taking for the emphysema that interfered with the healing process. After seven weeks in ICU, he passed away due to multiple organ system failure on January 14, 2000, at 5:05 PM. Daughter Cathy, son Russell, future son-in-law Bryan Kennedy, and Dr. T. Benton Washburn were present. He was buried January 18, 2000 at Maple Hill Cemetery in Huntsville.

Unknown to his family until after he entered the hospital, Cal had been having heart problems for some time. Nitroglycerin pills were found in his study for heart pain. Cal left a folder of instructions for his daughter Cathy just prior to entering the hospital in case he passed away. The information and instructions included the notice of his death to be published in the newspaper. Cathy used this almost as he had written it.

General Notes: Charles was born Karl Julius Merz in Jebenhausen in the Kingdom of Württemberg on 20 June 1865. His calling name, or the name he went by, at his birth was Julius. By the time he got to America, he was Charles Merz. Charles' mother was not married when he was born and his father is unknown.

I have a note, probably from a conversation with niece Lydia Speiser, that Charles and his sister Babette Habann were full, not half, siblings. Lydia was probably incorrect and may have made that assumption because Babette often used Merz as her maiden name. [CAR]

Charles is probably the Charles Mertz found in the 1890 & 1891 Bridgeport city directories working for Wheeler & Wilson Mfg. Co. [1]

In the 1900 Census, Charles Merz (looks like Mere) is living at 703 Ogden Street in Bridgeport, Fairfield Co, Connecticut. He is 34 years old, born in Germany, and immigrated in 1883. Charles is a cabinet maker. Living with him are his wife Mary, 29, and children Charles, 6, and Annie, 2. Mary was born in Germany and immigrated in 1888. Charles and Mary have been married 8 years. Mary has had two children, both are living.

In 1904, Charles Merz is listed in the Bridgeport City directory as Charles Merc. His is living at 54 Freeman Street, and is working for Wheeler & Wilson Mfg Co. [1]

In the 1910 Census, Charles Merz is living at 54 Freeman Street in Bridgeport. He is 45, and a cabinet maker of sewing machines. Living with him are his wife Mary, 39, and children Charles, 16, Annie, 11, and Lillian, 2. Son Charles is an apprentice; what type is not clear. The Merz are living near Charles' cousin Adolphe Boerschel and his family. Also nearby, on the next census page, are Charles' half-sister Anna Straub Becker & her family, along with her father John Straub.

In 1913, Charles Merz (Merc on the city directory) is working for Singer Manufacturing. [1]

In the 1920 Census, Charles Merz is living at 54 Freeman Street. He is 55, and a cabinet maker. Living with Charles are his wife Mary, 49, and daughters Anna, 21, and Lillian, 12. Anna is working, but her occupation was not clear on the census. The Boerschel's are still living close by, and the Becker's are a few census pages away.

In 1923 Charles and Marie are living at 54 Freeman Street. Charles works for Colombia Graphophone Mfg co. [1]

In the 1930 Census, Charles Merz is living at 54 Freeman Street. He is 64 and a cabinet maker at a machine factory. Living with him are his wife Anna (should be Mary), 59,

Descendants of Johanna Merz

and daughters Anna W, 31, and Lillian, 22.

Niece Lydia Speiser Reuther wrote that her uncle was a very clever cabinet maker. [2]

In the 1934 Bridgeport City Directory, Charles is listed as having died Sept 1 1934 at age 69.

Noted events in his life were:

- Alt. Birth: Jun 1865, Germany.⁸
- Alt. Death: Between 1930 and 1934, Bridgeport, Fairfield County, Connecticut.

Charles married **Maria Strolin**,¹¹¹ daughter of **Michael Strölin** and **Barbara Stengel**, about 1892.⁸ Maria was born on 28 Nov 1870 in Kingdom of Württemberg,¹¹² died on 27 Dec 1956 in Hamden, New Haven County, Connecticut⁷⁰ at age 86, and was buried in Lakeview Cemetery, Bridgeport, Connecticut.¹¹³ Other names for Maria were A Maria,⁷⁰ Mary,¹¹⁴ and Anna Maria Strölin.¹¹⁵ They had three children: **Charles John**, **Anna Marie**, and **Lillian Louise**.

General Notes: Anna Maria Strölin was baptised in Balingen, Oa u Waldstetten in the Kingdom of Württemberg on 4 December 1870. [7] It is not clear exactly where. The towns of Balingen and Waldstetten are in the greater Stuttgart area. The Speiser & Merz families were nearby. She was probably born in the town where she was baptised.

Mary's name is Mary on the 1900, 1910 & 1920 Censuses, but Anna in 1930 and in the 1944 Bridgeport city directory. Since her age is consistent with the earlier censuses, I assume she is the same person.

In 1934 & 1935 A Marie Merz, widow of Charles, is living at 54 Freeman Street in Bridgeport with her daughters Anna M and Lillian L. [6]

In 1944 Anna M Merz is living at 54 Freeman Street in Bridgeport. She is widowed from Charles J. Anna is living with her daughter Anna M. [1]

After her daughter died in 1948, Marie A Merz continued to live at her home on Freeman Street. [2]

In 1952 Marie M Merz, widow of Charles J, is listed as having removed to Hamden. [3] Daughter Lillian Merz Marshall lived in Hamden, and Marie probably went to live with her.

In November 1955, Mrs. Mary Merz of Hamden and Mr. & Mrs. Rush Marshall of Hamden attended a surprise 80th birthday party for Christian Strolin. [5] Christian was probably Marie's brother.

Maria A Merz, widow of Charles, died 27 December 1956 at age 86 at Hamden, New Haven, Connecticut. [4]

After she ran off, daughter Ruth went to live with her paternal grandparents Charles and Maria Merz, and their children Anne and Lillian, in Bridgeport. [1]

Since Lillian married in 1935, and Charles and Ruth were in Syracuse in 1930, Ruth apparently abandoned her family in the early 1930's. [CAR]

2-**Johannes Börschl**¹ was born on 16 Jul 1846 in Gruibingen, Kingdom of Württemberg¹ and died on 18 Jan 1901 in Gruibingen²⁷⁶ at age 54.

General Notes: Lydia Speiser Reuther identified a picture in a Merz/Boerschel photo album as "My Great Uncle who was a Sheppard and his wife." She also noted that he immigrated to America.

I believe the picture is of Babette Merz Straub's half-brother Johannes Börschl and his wife Christine Zanker. Johannes' father, also Johannes Börschl, was a shepherd, so the younger Johannes may also have been a shepherd.

According the church records in Gruibingen, Johannes and Christine did not have any children. They died in Gruibingen, so it seems unlikely they immigrated to the US.

Johannes married **Christine Elisabeth Zanker**,¹ daughter of **Johann Michael Zanker** and **Christine Müller**, on 24 Feb 1881 in Gruibingen, Kingdom of Württemberg.¹ Christine was born on 1 May 1844 in Gruibingen²⁷⁶ and died on 5 May 1917 in Gruibingen²⁷⁶ at age 73.
